SUPPLEMENT TO THE

MYSORE GAZETTE.

No. 21 Published by Authority. of 1879.

BANGALORE, SATURDAY, MAY 24, 1879.

OFFICIAL PAPERS.

Abstract of Season or Intermediate Reports for the Week ending 17*th May* 1879.

Bangalore District.—Slight showers in some Taluks. Sugar-cane and Vaisak paddy crops in good condition. Prospects favorable. Fever and ague slightly prevalent in some Taluks. Price of ragi has again risen, and that of rice remains stationary.

Kolar District.—The Vaisak paddy crop has been slightly damaged by the fall of hail during the previous week. Fevers still prevail. Prices stationary.

Tumkur District.—Not received.

Mysore District.—Fifty-six cents rain. Sugar-cane and cotton crops thriving. Public health good. Prices slightly risen.

Hassan District.—One inch forty-nine cents rain. The reaping of the Vaisak paddy crop is continued in the Hassan Taluk, while in the Attikuppa Taluk it is withering from insufficiency of water. Ague prevalent. The price of rice has risen, and that of ragi has fallen.

Shimoga District.—Ten cents rain. Vaisak paddy and sugar-cane are in a flourishing condition. The ryots are busily engaged in ploughing. Prospects good. Fever prevalent. Cattle are in good condition. Prices shew a tendency to rise.

Kadur District.—Thirty-seven cents rain at Chikmagalur. Rain also fell in other Taluks. The sugar-cane crop is thriving. Ryots are engaged in ploughing. Fever still prevails in parts of Lakvalli and Tarikere. Public health has improved. Prices stationary.

Chitaldroog District.—One inch thirty cents of rain at Chitaldroog, and heavy showers in the surrounding villages. Rain also fell in other Taluks. The remaining crops of paddy and sugar-cane are healthy in all parts of the District. Fever and ague prevalent in some parts. Prices have slightly risen owing to exportation.

Coorg.—Rain-fall 2 inches 93 cents. Agricultural prospects good. Fever again prevalent.

By Order,

C. RANGACHARLU,
Revenue Secretary.

Mysore Government Press, Bangalore.—1879.
